

Inland Homes are running a public exhibition on the development of the land surrounding the former Tesco Headquarters on Delamare Road, known as Cheshunt Lakeside.

The site is situated between Windmill Lane and Cadmore Lane, parallel to Lee Valley Regional Park.

The site will include:

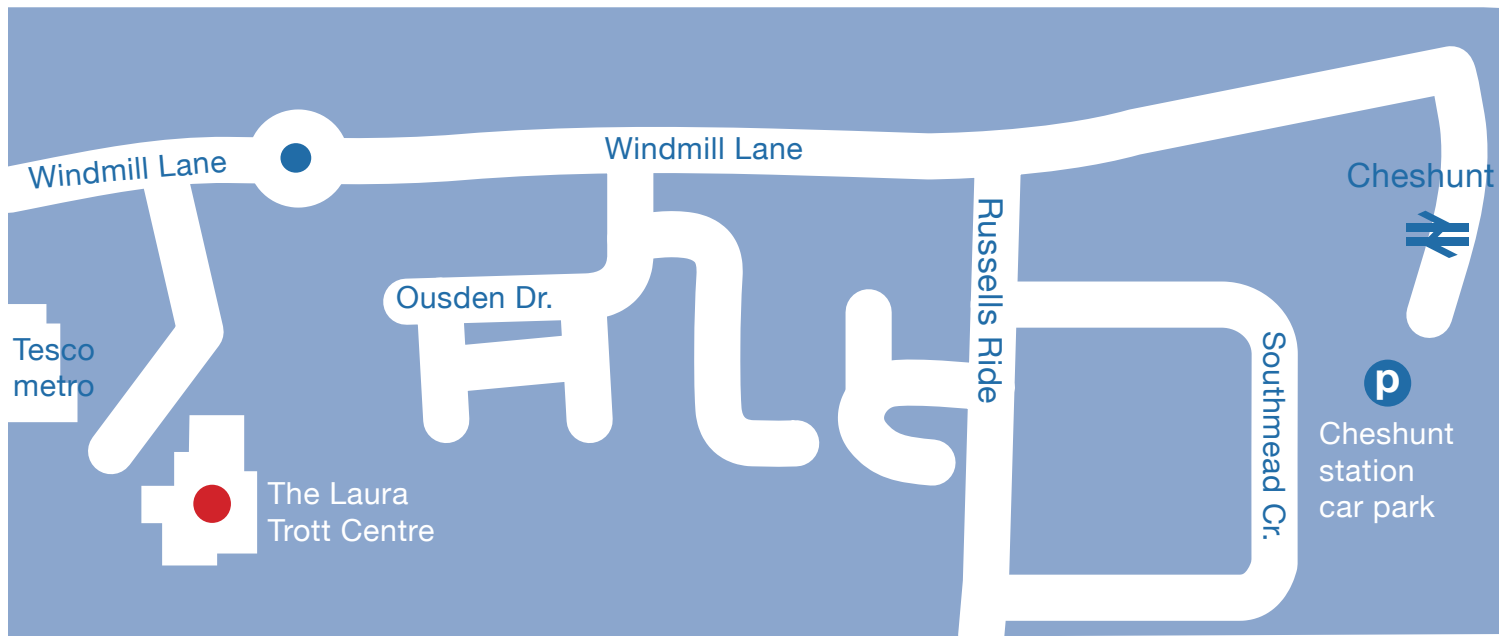

- Up to 2,000 new homes
- A local centre to provide business and retail opportunities
- Parkland and landscaped areas
- A new primary school
- New cycling and pedestrian routes
- New bus services and local transport investment

We previously held a public consultation in July to show the initial vision for the proposals. This exhibition will show the updated plans in preparation to submit an outline planning application in December (please see overleaf for details).
